About us

Black Ops (BOSS-C) was started in order to address the Security needs and a growing threat to the American public. We quickly grew into an international security firm with clients around the world.

BOSS-C offers a wide range of security services to North Carolina, Virginia, Maryland and Washington D.C. If your business is in need of Fire Watch/Guard Officers, we have trained officer to keep your doors open and in compliance with the Fire Marshal. Our Officers are also First Responder trained to ensure extra consumer safety, while serving at your location. We can offer scheduled Officers or emergency response 24/7 teams.

BOSS-C offers a variety of ways to retain and use Security Officers for our clients and can meet the needs of Schools, Corporations, Residential Properties, Private Security locations and Event Security. We also have a variety of Private Investigators that are well seasoned.
